Dispatches from Soho on Tatler's Travel Awards

The theme of this year's Tatler Travel Awards was home and away, so the setting was Soho's Ham Yard Hotel (home) and the sponsor was Carrier (jolly good at taking us away). **Jeremy King, James McBride, Kit Kemp** and **Ed Victor** joined the glitterati of the travel world in the hotel's vintage Texan-themed bowling alley. The fish 'n' chips and prawn tacos went down very well with the Yaguara Cachaça cocktails and Nyetimber: English sparkling wine, while the award-winners (both home and away) received gorgeous Georg Jensen pitchers.
