Grand Hotel Tremezzo

The new Rooftop Floor of the **Grand Hotel Tremezzo** (www.grandhotel-tremezzo.com) on Lake Como, Italy, has been transformed to ensure an even more exclusive stay. New digs include Rooftop Junior Suites, Corner Suites, Front Suites, or the entire fifth floor—combining them all to create an eight-bedroom Penthouse.

Each space is outfitted with a private terrace and outdoor heated Jacuzzi, and comes with panoramic views of Lake Como, the town of Bellagio, and the Grigne mountains. The bathrooms are ultra-luxurious, featur-

ing Cedarstone and Imperial marble, double basins, bathtubs with a view, and a separate rain shower.

Grand Hotel Tremezzo, a member of Preferred Hotels & Resorts, is an Art Nouveau-style resort with 98 rooms, a spa, butler service, flower gardens, scenic views and five upscale dining venues featuring master chef Gualtiero Marchesi.

Luxury travel advisors should contact Reservation Manager Cristina Guerrotto (reservation@grandhotel-tremezzo.com) for reservations and special requests.
